Re: 2133 85th Street, North Bergen, NJ 07047

To whom it may concern:

Under the USEPA's FOIA CFR Title 40, Part 2, our firm is requesting an opportunity to inspect or obtain copies of public records related to the property located at the following address:

2133 85th Street (Tax Block 458 Lots 10&17; Tax Block 486 Lot 5), North Bergen, Hudson County, New Jersey. Note: The Tax Block may now be updated to Tax Block: 458 Lot 15.

We are specifically looking for environmental reports, sampling data, environmental files, records, permits, laboratory data and environmental investigations pertaining to this property. If there are any fees for searching or copying these records, please inform me if the cost will exceed \$25.00.

If access to the records I am requesting will take longer than this amount of time, please contact me with information about when I might expect copies or the ability to inspect the requested records. If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

Sincerely,

WOODARD & CURRAN ENGINEERING AND GEOLOGICAL SERVICES P.A. P.C.
